

# West Island College International-Class Afloat High School Course Selection 2010-2011 (revised)

**General Guidelines:** This course selection form provides the school with information that assists in the preparation of its academic timetable. All courses are **110 hours** in length with the exception of Sociology of Community 11 or 12 which are each **55 hours** in length.

**Caution:** In each semester you have been requested to make an “**alternative**” selection. Please understand that all of the courses listed may not be offered and that the school reserves the right to cancel courses which are under-subscribed, which present scheduling conflicts and/or for which no instructor is available.

**Compulsory Courses:** All students will take the **Sociology of Community 11 or 12** course for the full semester or year they are aboard. All students will take a course in Physical Education and Fitness (80 hrs) and Seamanship/Navigation (30 hrs) both semesters. **Failure to attend Fitness more than 3 times in one term will result in the loss of 25% of the term’s grade. Attendance at all fitness classes assures full marks for that component of the course.**

**Student’s Name: (please print)** \_\_\_\_\_

**Grade Level:** \_\_\_\_\_

**Visa Information** – Please provide the detail requested below:

1. Country of permanent residency \_\_\_\_\_
2. Country(ies) of Citizenship \_\_\_\_\_

&

\_\_\_\_\_  
*Signatures of Parent/Guardian and Student acknowledging accuracy of above & course selections on the following page*

## **Pre-requisites:**

- In order to select a 12<sup>th</sup> Chemistry or Physics course, you are required to have previously completed a minimum of 110 hours of instruction in the specified subject (Chemistry or Physics) area. This is not a requirement for Biology.
- In order to select Pre-Calculus 12, you must first complete Mathematics 12.
- In order to select French 11 or 12, you are required to have completed the pre-requisite French course (French 10 or French 11).

## **Grade 12 Graduation Requirements (Nova Scotia):**

- In order to meet graduation requirements to receive a Nova Scotia High School diploma, grade 12 students **MUST** include the following selections in their choices if they have not already been completed prior to joining Class Afloat: English 12, one Grade 12 science (Biology, Chemistry or Physics) and one of either Global Geography 12 (1<sup>st</sup> semester) **or** Global History 12 (2<sup>nd</sup> semester). Mathematics 12 is not required to graduate but a minimum number of senior math & science courses are required; therefore, Math 12 is very highly recommended for a strong university profile.

*Please make a copy of this selection for your records and bring it with you when reporting to school in September or January.  
This is a preliminary selection only and final selection will be confirmed prior to the start of the school semester*

**Please return both pages of this selection form to our offices not later than June 18<sup>th</sup>.**

**Student's Name: (please print)** \_\_\_\_\_

**Instructions:** Please select your courses for the semester for which you are attending the program or, if you are a full year student, for BOTH semesters. You will note that there are FIVE available groups of courses; you may only select 1 course in each group and, as you are only permitted to choose 3 courses plus a substitute, you will only select from four of the five available groups. Please indicate your selections in the spaces provided above the list of available courses.

## SEMESTER ONE

REFERRING TO THE OPTIONS BELOW, PLEASE LIST YOUR TOP THREE CHOICES  
AND INDICATE THE GROUP THAT EACH COURSE FALLS UNDER.

SELECT ONLY **ONE** COURSE PER GROUP, TO A MAXIMUM OF **FOUR** COURSES, INCLUDING THE SUBSTITUTE.

Choice 1: Course name: \_\_\_\_\_ Group: \_\_\_\_\_

Choice 2: Course name: \_\_\_\_\_ Group: \_\_\_\_\_

Choice 3: Course Name: \_\_\_\_\_ Group: \_\_\_\_\_

Substitute Choice: Course name: \_\_\_\_\_ Group: \_\_\_\_\_

<b>Group A</b>	<b>English 11</b>	<b>OR</b>	<b>Mathematics 12</b>		
<b>Group B</b>	<b>Physics 11</b>	<b>OR</b>	<b>Oceans 11</b>	<b>OR</b>	<b>Global Geography 12</b>
<b>Group C</b>	<b>Canadian History 11</b>	<b>OR</b>	<b>Biology 12</b>		
<b>Group D</b>	<b>Mathematics 11</b>	<b>OR</b>	<b>Chemistry 12</b>	<b>OR</b>	<b>Psychology 12</b>
<b>Group E</b>	<b>Chemistry 11</b>	<b>OR</b>	<b>English 12</b>		

## SEMESTER TWO
